

The background features a soft gradient of pastel colors: light pink, light blue, and light teal. Overlaid on this are several geometric elements: a large, semi-transparent pink circle in the upper left; a large, semi-transparent pink rectangle in the center-right; a large, semi-transparent teal circle in the lower left; and a white dashed circle in the upper right. There are also several thin white lines and small white circles scattered across the background, some of which appear to be part of a larger, faint geometric pattern.
